Welcome to Karabiner Access

The operations of the Access Division of Life & Rescue International (LRI) Pty Ltd, have been transferred as at 31st March 2011 to a new entity Hangard Group Pty Ltd, trading as Karabiner Access. Mr Andrew Ferguson has been appointed to the role of Managing Director of Karabiner Access, in addition Mr Ferguson is also a shareholder of Hangard Group Pty Ltd. We are also very pleased to have the Wilh. Wilhelmsen Group (owners of LRI) as a shareholder of Hangard Group Pty Ltd with representation on the Board of Directors.

Our operations of business activities will continue from our current Sydney Head Office at 36 Doody Street Alexandria NSW 2015 and Nationally via the Wilh. Wilhelmsen Investments network of companies.

The services & products offered by Karabiner Access will be:

- The design, engineering, supply, installation, certification & service of installed façade, confined spaces, access systems, height safety systems, Building Maintenance Units and Industrial Rope Access installations
- Provision of specialist access technicians for maintenance projects
- Provision of access technicians for Stand-By safety & rescue supervision and management
- Consultancy services for Workplace safety, reviews, audits and maintenance access strategies.
